

## **Travel Advisory for International Delegates Attending ICCM Conference in Ibadan, Nigeria**

Dear ICCM Delegates,

Welcome to Nigeria! As the Head of Transport and Logistics for the International Conference of Computer and Mission (ICCM), I am pleased to provide you with a detailed and reliable travel advisory to ensure a smooth and stress-free journey to the conference venue in Ibadan. Below is a comprehensive guide to assist you with your travel plans.

### **1. International Ports of Entry**

Nigeria has two major international airports where delegates can arrive:

- **Murtala Muhammed International Airport (LOS)** in Lagos
- **Nnamdi Azikiwe International Airport (ABV)** in Abuja

#### **Recommendation:**

- **Lagos Airport (LOS)** is the preferred port of entry for delegates as it is closer to the conference venue in Ibadan (approximately 2-3 hours by road).
- **Abuja Airport (ABV)** is an alternative for delegates who may find more convenient flight options. However, it is farther from Ibadan (approximately 7-8 hours by road).

### **2. Local Transport Arrangements from Lagos to Ibadan**

For delegates arriving at **Lagos Airport (LOS)**, the following transport arrangements have been made:

- **Arrivals Before 4:00 PM:**  
Delegates arriving before 4:00 PM will be met by our transport team at the airport and provided with a comfortable shuttle service directly to Ibadan. The journey takes approximately 2-3 hours, depending on traffic.
- **Arrivals After 4:00 PM:**  
Delegates arriving after 4:00 PM will be accommodated in nearby hotels in Lagos for the night. Transport to Ibadan will be arranged the following morning.

**Note:** Please ensure you communicate your flight details (arrival time, flight number, and airline) to the logistics team in advance to facilitate smooth pick-up arrangements.

### **3. Local Transport Arrangements from Abuja to Ibadan**

For delegates arriving at **Abuja Airport (ABV)**, the following options are available:

- **Arrivals Before 12:00 PM:**  
Delegates arriving before 12:00 PM will be provided with a shuttle service to Ibadan. The journey takes approximately 7-8 hours by road.
- **Arrivals After 12:00 PM:**  
Delegates arriving after 12:00 PM will be accommodated in nearby hotels in Abuja for the night. Transport to Ibadan will be arranged the following morning.

#### **4. Additional Travel Options**

For delegates who prefer more flexibility, the following options are available:

- **Domestic Flights:**  
Delegates arriving in Abuja can take a domestic flight to Ibadan via the Ibadan Airport (IBA). However, flight availability may be limited, so early booking is recommended.
- **Ride-Hailing Services:**  
Ride-hailing services like Uber and Bolt are available in Lagos and Abuja for delegates who prefer private transport.
- **Car Rentals:**  
Car rental services are available at both airports for delegates who wish to drive themselves.

#### **5. Important Contacts**

For any travel-related inquiries or assistance, please contact the following:

- **Dr. Adeniyi Oluwakoya** (Transport and Logistics Head)
  - Phone: +234 805 538 1535
  - Phone: +234 802 677 5920
- **ICCM Logistics Team**  
**Oluwabukunolami**
  - Phone: +2348065491453

#### **6. General Travel Tips**

- Ensure you have a valid visa for Nigeria before traveling.
- Exchange some currency (Naira) at the airport for local expenses.
- Keep your travel documents (passport, ticket, and conference invitation) handy at all times.
- Stay hydrated and carry light snacks for the journey.

We look forward to welcoming you to Nigeria and ensuring your journey to the ICCM conference is as seamless as possible. Safe travels!

Warm regards,

**Dr. Adeniyi Oluwakoya**

Head of Transport and Logistics, ICCM 2025
